HSCU Will Have You On the Road to Vacation

Planning that summer vacation with the family but need a little extra room for the kiddos? Let us help!

Not only do we have incredible auto loan options year 'round, but we also have something that you may not know exists. Our members get the **NEW CAR auto loan rate on ALL vehicles with 15,000 miles or less!** What a great offer for you.

This comes in extra handy if you recently financed your new auto with another lender. We can take a look and see if we can lower that payment each month for you.

Plus, receive a complimentary gift card when you complete the auto loan process **AND** if you mention that you read about it in our newsletter. It's the least we can do for you as our loyal member. Stop by our office, apply online via our website (hscu.net) or give us a call

**loans subject to credit approval; some restrictions apply; refinances do not apply to existing HSCU loans*

Helpful Summer Travel Tips

Our mobile app keeps you up to date on your account activity and allows you to monitor anything suspicious so you can report it immediately. It also allows you to transfer funds and see what's cleared.

Shared branching allows you to visit thousands of locations across the globe and handle day-to-day business transactions just as if you were standing in one of our lobbies. Make withdrawals, cash a check, check a balance, and never have your vacation interrupted.

Be aware on vacation. Watch your purse and wallet. Monitor your account and let us know if you notice anything suspicious or if you lose your debit or credit card. Relax, we're here to help!
